Adverting to G O No L 11588-89/CM 10-52-3 E dated 16-10-1952 sanctioning an estimate for Rs 7200/- for the above work, as scrutinized by the Superintending Engineer, Cauvery Circle, Mysore, I write to state that during a further scrutiny of the estimate, while considering the question of taking up the work, it was found that rates provided for granite and metal chips and also collection of sand were much lower than the current schedule rates Further the item of picking of the metal surface had also been omitted in the original estimate A revised estimate for Rs 8500 was prepared and sanctioned by the Council at their meeting held on 10-12-1953 The estimate has also been duly scrutinised by the Superintending Engineer as per his letter No 23070 dated 30-1-1954 (copy enclosed)

In enclosing a copy of the resolution as also the estimate, I request you kindly to obtain orders of Government sanctioning the revised estimate for Rs 8500/- for the work
